 - a. SUDS (ChAMP Project): Simon went to workshop on SUDS, and outlined the key importance of these in urban environment. May be some resources to enable local action.
5. Updates from sub-groups:
 - a. Film: recent film 'Tomorrow' was very well attended, and Katherine did some Vox-Pops with Sarah (being re-screened around Brighton, including a Patch event in September). Suggestions for future ones were 'We The Uncivilised' and 'Plastic Ocean'. No future progress in linking with other groups, bar joint publicity. Brighton Big Screen (summer programme) have been approached re: getting an environmental theme onto the screenings.

8. Next social: Street Parties in Belgrave and Washington Street on Saturday 17 June – TBC (if they want to open wider invite).
9. Any Other Business:
 - a. Local Action Team (LAT) AGM discussion raised the idea that the HCA, Hanover Action and the LAT could cooperate/coordinate re: loneliness, improvement of the look of the local area, community actions (street parties, street clean-up, etc.). Next LAT meeting on 5 June will focus on discussion of the BHCC pilots on Community Hubs (as part of being a new 'Cooperative Council') – and ideas of a 'Neighbourhood Plan'. How does Hanover Action want to respond.....
10. Next meeting date and venue: 18 July, 7pm (ahead of OPL Meeting)
