Date: 18/07/17

Location: Hanover Community Centre meeting room

Attendees: Paul Norman, Ian McIntyre, Les Gunbie, Simon Bannister, Sarah Gorton, Caitríona Donohoe

Apologies: Tracy Hind

1. Minutes of last meeting - agreed

2. Updates from sub-groups -

60 in total at the Social on 16th at Earthship - success

VEG garden is looking nice and productive

Film group – A Plastic Ocean on 27th, paid for community screening licence and various groups are promoting. Doors open from 7:30. **PN and CD to put together powerpoint with photos and info (banthestrav, refill etc)**

Islingword Street party next weekend

3. CPZ update – started marking out spaces.

ETS meeting – Submission was made but felt HA was not represented as a group with experience. Further discussion to be held at OPL meeting. Letter to ETS will be drafted by PN.

6. One Planet Living

No meeting in June. Jackie following up with bike racks. Kristopher following up with greening. To look at action plan at August meeting and find next routes of pursuit. PN interviewed by Bioregional

7. Accounts

Les & Leslie spent some time reconciling the accounts. **LG to send to CD to put up on the website.**

8. Hanover Directory article

Kristopher – for September transport deadline 15th Aug (notes updated: **Earthship social write up for September article, and transport article postponed for October)**

Circulate articles to DG to prevent overlap in councillor report

HA would be happy to write in a Elm Grove directory – same article can be used for both

9. Council reporting

Looking for volunteers to assist with reporting LG to coordinate. IM and PN to write on Earthship.

10. Next social

Thursday 24th at Village 7:30pm. CD to invite Mel and SG to ask if we can reserve an area.

11. Any other business

- HEGLAT in transition and now a working group looking at identifying community priorities & actions, and first meeting was last night to move this forward. HA are invited 7pm 7th September venue TBC. Report will go to next HEGLAT meeting – great opportunity to raise issues which have already been researched. Hanover & Elm Grove virtual hub. Summary will be available on HEGLAT website.

- Sustainable Urban Drainage for Hanover. Simon was at presentation recently and Enfield today to study tour. Opportunity for bid for funding for feasibility study. Simon to headline.

-Chair – IM nominated as notational acting chair by PN, seconded SG. Agreed.

12. Next meeting date and venue

September 19th 7pm Hanover Community meeting room.
