### **One Planet Living Meeting**

#### **1. Tree Campaign**

Reach out to businesses or to have a stall at the school or open market - IM doing poster for estate agents and other businesses and CD to find date and contact details for Elm Grove fair. Continue to share on social media as further £200 required. SB to dig out “water me” signs for the trees and planters. KH to further look into talking to private spaces about planting trees i.e. cemetery or old person’s home. IM to reply on Dick Page email regarding funding.

#### **2. Plastic Free Community**

Magpie - £80 per week pilot for 150/200 households – due to cost it would be ideal if someone locally volunteers to drive the float. Only valuable resource is in aluminium cans, other resources operate at a loss. IM to forward email from Rob at Magpie in order to discuss his facilitation ideas.

Idea: lobby for trial return deposit sch in Brighton. Plastic plans on internet CD machinery.

Plastic free pub charter

3. Neighbourhood action plan

Discussion around a plan locally to get draft neighbourhood action plan by spring. Use Agenda 21 mapping to draw links between groups. SB to update when available.

4. Half term gardening event

KH to contact centre about the hall in Feb half term in order to decide on date for event. Money in grant for event and for VEG. Adopt a planter - May Road revamp HA to advise 3<sup>rd</sup> December event. Tree guardian scheme?

5. Rampion Community Fund available

Jackie still pursuing covered bike scheme so possible that this fund my help:
