Ideas about benches, raised beds, fruit trees.

There is a rehab house locally and there is some concern about people using needles in the area. One man on the road is a graphic designer and he has taken Jackie's plan and reproduced it. Sarah will e mail it to Southern Water who want to know council support it. Mei-wah will ring Simon B. Someone needs to talk to neighbour at no. 67, Jackie will ask man who organised street party.

If we need grant for raised beds etc could go for environmental grant in October.

Possibility of educational project, e.g, Victorian building similar issues to other local properties work days to help to insulate, rain water harvesting – proceed in small stages . They have already had environmental consultant looking at building.
